- U.S. Supreme Court
- U.S. Court of Appeals, Second Circuit
- U.S. District Court, District of Connecticut

Biography

Tony heads the Firm's Public Utilities practice and represents energy, water, and telecommunications clients, as well as municipal entities, in regulatory proceedings before several state agencies in Connecticut, including the Public Utilities Regulatory Authority and the Connecticut Siting Council. He counsels both regulated and non-regulated businesses in transactional and operational areas, including mergers and acquisitions, leases and contractual matters.

Tony provides antitrust counseling and corporate law advice to various trade associations, including associations involved in the environmental, forest and paper products industries. He also counsels clients in general corporate matters and employment law, including executive compensation, employment contracts and discrimination and termination issues, and he advises municipalities in specialized administrative law matters.

Prior to joining Whitman Breed in 1995, Tony was in private practice in Connecticut and gained 15 years of experience in the corporate sector as Senior Vice President and General Counsel of Aquarion Company, which owns New England's largest investor-owned water utility operation, and as Chief Counsel of a Fortune 300 mining, manufacturing and building materials company. He is a former Connecticut Supreme Court Law Clerk.
